Dear Zeldania

UK Coal

We have received a document which appears to be a petition addressed to UK Coal. I believe this may have been forwarded to this office as my colleagues are liquidators of UK Coal Production Limited. However, your document does not refer to this Company.

'UK Coal' itself is not a currently legal entity and so I would be grateful if you would confirm for whom the document was intended so that I can forward it to the relevant party.

I would be grateful for your assistance.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Michelle Gilks', written in a cursive style.
