

Complaint Source: FB Post of Bantay Bastos

Mr. Ramon Tulfo, a known media personality made an obscene statement directly against a married woman via Facebook, who was then criticizing the said alleged GBV - perpetrator about the fact that the former was able to get tested while frontliners and other ill persons were not given access to COVID-19 testing kits.

Consequently, the CHR Gender Equality and Women's Human Rights Center (GEWHRC) has *motu proprio* investigated the said incident and thereafter referred the case to its CHR NCR office in order to send a letter to Mr. Tulfo seeking explanation on the said incident of which tantamount to an online violence or sexual harassment. He submitted his response on the show cause letter stating about justifications about his actions. The subject case is now for advisory inclusion.
