

## **GBV CASE IN REGION IV**

A 29-year-old woman, who is a member of Formal Economy Worker sector and a COVID-19 patient was being discriminated by their Homeowners Association President. The victim's cousin coursed through the Commission on Human Rights' Gender-Based Violence Online Portal and reported the said GBV case. According to the victim's cousin, the said HOA President aggressively communicated with the Barangay Health Officer to disclose information pertaining the victim. Consequently, their family is being harassed through text messages and chats.

The victim's cousin sought legal assistance in filing case/legal counselling from the Commission. On June 8, 2020, the CHR Gender Equality and Women Human Rights Center (GEWHRC) referred the case to CHR Region IV for proper investigation.
